

# HOW TO PLAY

You can simply have fun finding NOVACON caches  
OR  
Join a team and work for victory in the ultimate battle!

## REGISTRATION

Cachers can register by messaging OptimusFinn\_MegaDork via the Geocaching Messaging system.

On August 24<sup>th</sup>, pick up your badge at one of the following events.

- NOVACON: Badge Pick-Up #1 (GCAQZRT)
- NOVACON: Badge Pick-Up #2 (GCAQNCD)

Contact us if you cannot attend an event and we'll make arrangements.

You will need your badge to participate!

# SKURIO VS. VULPINOR

Geocachers will belong to either Team Skurio or Team Vulpinor. Your task is to make your champion as powerful as you can for the final battle between the two. The final battle will take place in November.

## SERIES GEOCACHES

**Hit Points – make your team champion stronger!**

Each weekend from September 7<sup>th</sup> to October 26<sup>th</sup>, series caches will publish. Team members will need to find these caches and take photos to earn HP (*hit points*) for their team champion.

To earn a Hit Point redemption code, team members must take a photo as designated by the cache hider and post it on the cache page. Your badge must be clearly visible in the photo.

We will then message you a redemption code to be used on the NOVACON site. Please be patient.

## SIDE QUESTS

**Armor, Weapons, and Special Abilities!**

All side quests will be published on the NoVAGO Facebook page.

Teams will complete quests to earn armor, weapons, and special abilities for their champion. At the end of each quest, the first or winning team will have their choice of items. The remaining team will take what is left (*or nothing if they cannot complete the quest.*)

# THE FINAL BATTLE

The final battle between Skurio and Vulpinor will occur in November. A mock-battle will occur in September so that teams can get a feel for how it will play out. In the final battle, Skurio and Vulpinor will use all the armor, weapons and special abilities that their teams have collected over the course of the series.

## RULES

- If problems arise, all decisions by OptimusFinn & Megadork will be final.
- Rules will be added and updated as needed during the series.
- Be nice. This is just for fun.

## ELIGIBILITY

All geocachers, including cache hidiers, are welcome to play along. NoVAGO membership is not required.

You do not need to be on Facebook to participate. You'll just need to find a team member who can keep you connected.
